ACCOMMODATION PREFERENCE

Boarding room allocation is based on availability at the time we receive your deposit; all room types are allocated on a first-come, first-served basis. Final allocation is confirmed shortly before the start of the term. Students under 18 years of age are expected to live in Bosworth accommodation if they are not living with their parents. If they wish to live elsewhere, a written request must be submitted to the Bosworth Principal for approval.

I am applying to be a: Please

Full-time boarder Weekly boarder Day student

MEDICAL & WELFARE INFORMATION

Please detail any specific additional educational needs (AEN/SEND), mental health needs or medical conditions in this box, including any known allergies, current medication and/or dietary requirements.

We have a dedicated team of health care professionals, including a counselling service, within all our schools. They are experienced in supporting students with educational or mental health needs along with existing medical conditions. We can provide the best level of support when notified well in advance and with collaboration between students, parents and their care providers at home. Failure to disclose a specific requirement may result in us not being able to meet your needs.

I consent to Bosworth Independent School, part of CATS Global Schools processing my/the student's medical and welfare information provided as part of this application. If you are completing and signing as an Agent on behalf of the student, we will assume (unless you tell us otherwise) that you have full authority and consent from the student to sign on their behalf.

Signature of the student:	Print name:	Date:
Signature of parent/legal guardian:	Print name:	Date:

You have the right to withdraw your consent at any time by emailing CATS Global Schools data protection officer at DPO@catsglobalschools.com. For further information on how CATS Global Schools processes your personal data, please see our privacy policy at <https://catsglobalschools.com/info/privacy-notice>
