Bosworth Independent School University Destinations 2025

of A Level students achieved A*- C Grades

of UFP students achieved A*- C Grades

Bosworth Independent School welcomes students pursuing varied academic and professional ambitions. Recognising every student as an individual, the School empowers students to thrive within and beyond the classroom.

In 2025, Bosworth students have progressed to top UK destinations including, Durham University, Imperial College London and University of Warwick which are all top 10 UK universities*.

Reflecting our students' diverse academic interests and ambitions, Class of 2025 students will be studying undergraduate degrees in Medicine, Law, Mechanical Engineering and Physics. Every student receives dedicated, tailored support with their university applications. Students are guided by a dedicated Higher Education Officer to make informed choices about which universities and degrees are best for them.
